“ I am deeply saddened by the passing of Ernie "The Executioner" Moore. He was more than just a legendary trainer to me—he was a mentor, a friend, and a true inspiration. Ernie's belief in me and his unwavering support helped shape who I am today, both in and out of the ring. His kindness, wisdom, and larger-than-life personality will never be forgotten.

My heart goes out to his wife, children, family, and all who loved him, especially the wrestling community. Ernie touched so many lives, and his legacy will continue to inspire.

“ I heard about Ernie's passing a couple of days ago. I first met Ernie about 25 years ago and could not believe what an interesting life he had led up until our first meeting. After some breakfast's at the old Pinetree restaurant we decided to do some business together when he was available. When we did all the events together including the Grey Cup in Hamilton in 96, I was amazed at how popular he still was. Many of our people including myself remarked that he should have run for Mayor of Hamilton, he probably would have won. A nicer more kind man many in our life will not meet, hopefully they need a helper upstairs.
