“ To the Hoffman/Need Family,

Great Uncle Erwin was a kind, honest and thoughtful person. He often joined Auntie Vera and me on our outings. He was an uncle who became a friend. Uncle Erwin was a fine cabinet makers. He was very skilled in wood working and really enjoyed making things. One memory in particular was when he fixed an important antique chair that had a broken arm. Today that chair is as good as new and is one of our favorite pieces of furniture. When our daughter became a toddler it was Uncle Erwin who made a foot stool so she could reach the sink to brush her teeth. He was a super guy! Great Uncle Erwin was a sweet man and will always be remembered with love.

In loving memory,

Lisa George, Angelo Pugliese & Deysha George-Pugliese

“ *To the Hoffman/Neeb Family:*

Great Uncle Erwin was a kind, honest good person. He will be remembered with warmth and love. He always made time to join Auntie Vera and me for outings. He became not only an uncle but a friend. He was a fine wood cabinet maker and made time to fix things for others which is not something many people have time for any more. One memory in particular was when he came to my rescue years ago to fix an important antique chair that had a broken arm. Today, that chair is as solid as new and is one of our favorite pieces of furniture. When our daughter became a toddler it was Uncle Erwin who made a wooden step stool so she could reach the sink to brush her teeth. He was a lovely man. A super nice guy. Your Dad was sweet and will always be remembered.
