“ Dear Cousins: Deepest sympathy in the loss of your Mom. I sure do have a lot of fun memories of times on the farm, bowling alley, New Hamburg hotel and Baden under the watchful eye of your Mom (my Aunt Jean). Still appreciate all the stitches of love that Aunt Jean put into all of our quilts. Aunt Jean played a huge roll in making us all who we are today and made sure we had fun whenever it was possible. Love and respect always. Sue Kent (daughter of Bertha McCurdy)
