“ I was a seasoned grade 2 student when Kenneth started his education at S.S. # 18, New Prussia. I was tasked by my dad, to ensure my cousin was managing. The reason was that for Kenneth, English was his second language. He did manage, without much support from me. He took the Occupation path in secondary school, winning an award for his hard work and serious attention to his studies.

Rest In peace, Kenneth.

Cousin, Darlene
