“ *Thank you Carolyn, Phyllis, Ken, Luann and Gwen for the continuous and loving care you have shown to your mom the past number of years. You have sacrificed much of your family-time so as Mary would be as comfortable as possible. For that our family knows that you all now can rest in peace. We appreciate too that you have kept us informed of your mom’s health. We feel good that Vince has his dear sister with him up there. May God give them Eternal Joy.*

“ *I have such a clear image in my mind of Mary & Philip sitting on the front porch of their red brick family home in Linwood. The golden evening sun setting down the road in the west. The smell of fresh cut summer grass and the clip clop of horse & buggies going by. Praying for their peace and togetherness in that moment again. Sympathy to the entire family for your loss of your Mom.*

“ We were so sorry to hear about Aunt Mary. Such a hard working woman all of her life, and yet she always managed to have a beautiful smile on her face at the end of a long day, when her kids would bring their friends home. She was a pioneer for the working woman back when it wasn't as common, and set a wonderful example of how to balance work and a home life filled with lots of children. You were my role model, Aunt Mary, and I'll miss you, your beautiful smile, and all your life lessons. Thinking of you, Cousins, in the loss of your special little Momma Mary. xo
