“ When I was growing up your Dad was the minister at Crosshill, and I always appreciated his wisdom. He was such a kind, thoughtful man. At Knollcrest, he was a friend to so many. He has left a wonderful legacy to his family, and he will be missed. I'm sure he is rejoicing in his new home. "Well done, good and faithful servant!"

“ Your father and grandfather Steve was always one who welcomed me into the Mennonite Church in Canada. I came from USA and was General Conference Mennonite Church. I was sometimes on the edge of social justice issues, even as a minister at First Mennonite Church. I always appreciated your father! He was also very supportive when I was secretary and then chair of the missions and service commission of the Mennonite Conference of Ontario and Quebec and then a member of the Inter-Mennonite Mission Commission - Always something to discuss and it wasn't trivial. I likewise felt his support as I worked for House of Friendship.

He lived a good life! and I'm grateful for having known him and worked with him ... as well as discussed ideas and theology with him.

Best wishes as you gather, celebrate, and say "good-bye." May you have many times to share your memories and how he impacted your lives.
